## PLEASE NOTE

Please complete your repeat medication card and email this to:

- [prescription@tullamoremedical.ie](mailto:prescription@tullamoremedical.ie)

Please email, post or drop into surgery letter box at least 5 working days before your medication is due.

We can now email (Healthmail) all prescriptions directly to your chosen pharmacy.

No telephone requests will be accepted for repeat prescriptions.

Your prescription will be prepared and will be emailed to your pharmacy within 5 working days.

Please note:

- **all private prescription requests must be paid for in advance of completion**
- all repeat prescriptions are verified by a doctor
- some requests may not be granted and will require a GP / nurse appointment
- patients with chronic conditions eg High Blood Pressure will need regular blood pressure monitoring, ECG and bloods and may require an appointment with a Doctor or a nurse
- medication for pain, sleep and anxiety will be under constant review and will be subject to change
- inappropriate prescription requests will be declined
- only standard regular prescription requests will be facilitated through this service
- if you have a clinical question acute / urgent or chronic please ring 057-9351225, these requests will not be dealt with through the prescription email system

**For Urgent GP Appointments: Phone 057 9351225**

- We will endeavour to facilitate on the day appointments for urgent clinical problems
- We operate a nurse triage system who will allocate according to clinical need
